We're looking for a creative designer to join our team!

Depot is a successful alternative events venue in Cardiff. We are a small team and work hard to create amazing and original events that has established us a leading venue in the city. Our recent works have included Depot In the Castle Festival, Bingo Lingo and By Order Of (The Peaky Blinders Experience). We open to the general public as well as high profile corporate clients.

We're looking for someone with a wide range of design skills that can design and brand our events, as well as maintain all other aspects of design work needed for Depot.

You'll need to be competent in Adobe Photoshop, Illustrator, InDesign and Premiere.

As the main designer in the team, you will:

• Be highly creative and able to come up with original concepts.
• Have a sound grasp of good typography,advertising branding, graphic design and copywriting.
• Deliver and execute all artwork and campaigns to a high standard.
• Follow the Depot brand.
• Bring in fresh ideas.
• Be able to think differently and objectively.
• Work with our partners and corporate clients

You'll be expected to deliver campaigns timely and efficiently, sometimes with a short turn around. As someone creative, you'll rise to the challenge and be able to create effective design and branding solutions.

In return, you will be provided with use of an iMac and be paid competitively, plus you'll be part of our mad cap team!

Please send your online portfolio and cv to

nick@depotcardiff.com

We won't accept applicants who don't have an online portfolio. Preferably we'd like someone with industry experience but we'll consider a strong graduate portfolio.

Pay - based on experience.
